

O'Neil 2T printer

This small, lightweight printer (4.625" x 7.125" x 1.75" at 23.3 ounces) provides receipt printing at your fingertips. The 2Ts direct thermal printing technology provides a high-quality, long-lasting 2" receipt, using either a 9-pin serial cable, or the IrDA port. This printer was designed to withstand multiple drops from 3-feet to concrete. The printer is shipped with a battery, 1 roll of paper, and an external power supply. A serial cable and cigarette lighter adapter can be ordered separately.

Part Number 57-0004-001	List Price \$714.00
