

display accessories

cleaning cloth

This soft microfiber cleaning cloth cleans fingerprints, dust and other daily smudges off of your touchscreen display. No solvents or other cleaning substances are required.

Part Number 62-0126-001 (pack of 10) List Price \$25.00

stylus (w/tether)

This stylus is the approved method of activating the touchscreen display. The tether provides an easy method to attach the stylus to the computer.

Part Number 62-0058-001 (pack of sets) List Price \$20.00

sun visor

The sun visor is used to minimize glare from sunlight, which can make the display difficult to read during normal daylight use.

Part Number 54-0231-001 List Price \$25.00

touch screen overlay

Itronix computer touchscreens are designed to provide you with years of service. Installing and using a protective overlay will help to ensure that your display remains useable. When installed correctly, the protective overlay becomes a durable, replaceable touch screen surface that protects the display. Please note size of display when ordering.

(Note Adding a touchscreen overlay can reduce the overall viewability of the computer's display.)

Part Number 62-0099-001 (8.2" Mono) (pack of 3) . List Price \$20.00
Part Number 62-0100-001 (8.4" Color) (pack of 3).. List Price \$20.00
