

# Wireless solutions

wireless mobile computing Solutions for your enterprise

X-C 6250 Pro™

X-C 6250 Pro™ Notebook

# X-C 6250 Pro™

## Itronix: the Standard in wireless computing solutions

### highlights

- Colorvue™ sunlight-viewable touchscreen display
- Nitevue™ keyboard technology
- Fully ruggedized, totally sealed
- Long battery life

### field computing for aerospace, field service, government, insurance, public safety, and telco/utilities

Featuring award-winning innovations such as the Nitevue™ keyboard and the Colorvue™ sunlight-viewable display, the X-C 6250 Pro is the wireless computing platform of choice for mobile workforces worldwide. The X-C Pro features integrated wireless data communications that enable your mobile workforce to be connected and productive anytime, anywhere. Whether drenched, dropped, hot or cold, the X-C Pro stays on the job. Backed by a limited lifetime warranty and comprehensive services package, the Itronix X-C 6250 Pro is truly "high performance wireless computing" at its best.
